

## How to make a Terracotta plant pot

### You will need:

Paint (a couple of colours)

A plant pot

Paint brush

Water

Newspaper (to cover table)

### Instructions:

1. Use paint to decorate your pot. We painted stripes, spots, flowers and today! Let it dry.
2. Cover your pot in glue. Don't worry it dries clear.
3. Fill your pot with soil and plant a seed.
4. Water it and watch it grow 🌱
