

Mini Police colourful drawing

Helen Ridley from the Mini-Police has asked that any student, who is willing, would create a colourful picture for the Police force. The message received, is below

Hello,

As with schools our departments have been working tirelessly to keep things running as best we can, to serve the communities of Nottinghamshire. I have had a request from some of our departments to fill the walls with bright pictures by children. I am therefore asking if you would be able to ask the children to draw paint or create in any way they like bright pictures and send them either to myself at the address below or they can be scanned and emailed over to me. Some of our rooms have no windows; so to keep them bright and cheerful at this difficult time is really important to the wellbeing of our staff. Thank you as ever for your continued support.

The address is

Keep Safe – Thank you

So, if you feel up to the task, have a go with your creative brain and send your amazing work to the email above! Happy drawing.
