2 Week writing Project –

Link To Geography;

Describe the best journey you have EVER been on – think of where you were going to (it could be a holiday); describe your excitement; detail the journey eg how you travelled and who you were with; what route did you take; were there any delays etc; finish by explaining the place you arrived at!! Really think about your descriptive language and your choices of Y6 style vocabulary etc – have you got a picture you can share with your writing to support your description eg the destination at the end of your journey?

Make sure your handwriting is neat, your presentation is your best and your explanation is VERY detailed.

Think about:

- Short and snappy sentences mixed with complex sentences.
- Descriptive adjectives.
- Fronted adverbials.
- Subordinate clauses.
- Paragraphs that are linked.
- Hook the reader from the start and maintain their interest throughout.
- Try NOT to repeat words you use eg amazing or unbelievable.
- Time conjunctions eg after that, next, finally
- Your writing should be in chronological order.
- Proof-read your writing, word-for-word (does it make sense; are my spellings right; have I missed any words out)
- Edit and improve your first draft using a thesaurus to apply synonyms.

Alternatively, choose your favourite film/movie you have ever seen and write a film review of it – Why is it so good? Describe what it is about? What do you love about it? Who stars in it? Why would you recommend it to others?

A Year 5 should be able to write a page of A4 at least and a Year 6 should aim for even more! Take your time and make it your very best work! Send pictures (not the text itself) of your completed biographies to sallyh28@bishopalexanderacademy.co.uk so we can see them and post some on Twitter.

Happy writing!!
