

# Can you spot these birds?

Robin

Blue tit

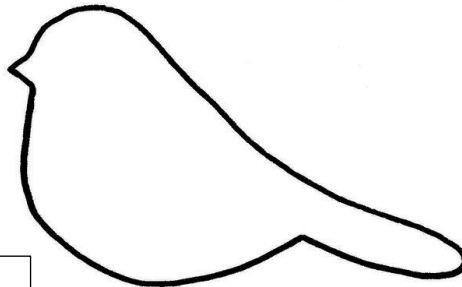

Goldfinch

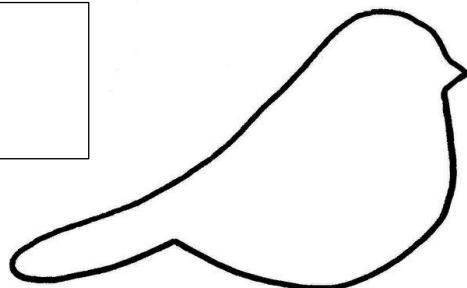

Chaffinch

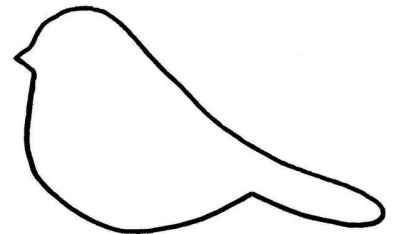

Black bird

Sparrow

Wren

## Make your own bird spotter poster.

You will need:

IPads/Computer

Colours and writing equipment

Pencils

Printed blank poster

- 1- Look up the name of each bird, can you find a picture of them? Make the outline look like the bird. Should it have a longer tail? What are its wings and feathers like? Don't forget its feet.
- 2- Can you find some facts about your bird to add to its information box? What does it eat? Where does it like to live?
- 3- Challenge. Can you draw your own outlines- not all birds are the same shape. What about birds of prey, owls and water birds.
