

Hello, I am a proud member of staff at Bishop Alexander. I joined this wonderful team in March this year.

Whilst working at Bishop, some of my favourite memories have been the school trip to the church, which enabled the children to learn more and explore the wildlife around us.

My favourite books:

Me before You,
The Let Them Theory

My hobbies and interests:

In my spare time I like to scrapbook, build Lego and read books. I love spending time with my family, friends and dog.

I am delighted to work at Bishop because I value the importance of quality education and creating a positive environment.

The person I find inspirational is Ladbaby (Mark and Roxanne Hoyle) because him and his wife spent years with hardly anything and they've built a community of entertainment by being their authentic selves.

If I wasn't a TA I would love to be a Photographer or an Author.
