Safeguarding

A child-friendly guide

What is Safeguarding at Bishop Alexander Academy?

In our school, safeguarding aims to:

- Protect you from harm
- Care about your well-being and safety
- Make sure nothing stops you from being happy
- Make sure you have a good education to give you your best chance in life.

When might you need help?

If you are...

- Being hurt by an adult or another child, in person or online
- Being touched in a way you don't like
- Not being looked after by people at home
- Seeing people you love being hurt.

What to do if you need help:

DO NOT be scared to tell someone. We will always listen. If you are worried about any of these things then you can tell:

- Designated Safeguarding Leads
- Teachers
- Head teacher
- Teaching assistants
- Dinner ladies
- Office staff
- Any other trusted adults.

DO NOT KEEP IT A SECRET.
