

Hello, I am a proud member of staff at Bishop Alexander. I joined this wonderful team in 2025. Whilst working at Bishop, some of my favourite memories have been . . . .

- Watching my students flourish and grow into young people I am so tremendously proud of.
- Teaching Maths any day any time!
- Introducing my students to new books that we can talk about and share our thoughts on.
- Watching students perform in shows and assemblies. When they light up, so do I!

I am delighted to work at Bishop because working with our children is the best job in the world and it brings the best out in me.

### My favourite books:

The Final Year by Matt Goodfellow

Tyger by SF Said

The Lion Inside by Rachel Bright

### My hobbies and interests:

I love being out in nature and learning about how different birds have adapted to their environment.

### The person I find

inspirational is anyone who works for the team at the RSPB because they have successfully re-introduced The Red Kite (one of my favourite birds) which has saved it from extinction.

If I wasn't a deputy headteacher . . . I would love to run a nature reserve or a dog charity.
