

Hello, I am proud member of staff at Bishop Alexander. I joined this fantastic team in September 2013. Whilst working at Bishop, some of my favourite memories have been the exciting STEM projects we run every March; sharing all the amazing science work done by the staff and children at our school with other teachers and the school being awarded with the Primary Science Quality Mark.

Mrs Bray

★ Teacher ★

My favourite books:

Anything by Michael Rosen;
Boy at the Back of the Class
by Onjali Q Rauf;
The boy, the mole, the fox
and the horse by C Mackesy.

My hobbies and interests:

- Walking in the countryside with our dog.
- Watching live music and shows at the theatre.
- Playing the saxophone with my oldest friends.

I am proud to work at Bishop Alexander because our team of staff work so hard to make sure all the children are well prepared for their futures.

The person I find inspirational is Tim Peake because during his time on the International Space Station he remained dedicated to sharing his love for science and engineering with everyone back on Earth.

If I wasn't a Teacher I would love to be an Astronaut because I think it would be amazing to go into space and do lots of brand new Science experiments.
