

Hello, I am proud member of staff at Bishop Alexander. I joined this wonderful team in early 2015.

Whilst working at Bishop, some of my favourite memories have been building a mud hut at Hill Holt Wood and watching the whole school panto performance.

Miss Dodd

My hobbies and interests:

- Long walks
- Watching films
- Theatre and watching musicals - Les Miserables is my favourite.

My favourite books:

- Hunger Games Series
- The Great American 'Mousical'

I am delighted to work at Bishop because we work well as a team and I love seeing each pupil grow.

The person I find inspirational is J.K. Rowling. At the time of writing Harry Potter, she had nothing, but she strove to do better for her family single-handedly and she lost her billionaire status due to giving so much money to charity.

If I wasn't a Teaching Assistant, I would love to work in a big London Theatre backstage.
