

Hello, I am proud member of staff at Bishop Alexander. I joined this wonderful team in February 2014. Whilst working at Bishop, some of my favourite memories have been taking part in Forest School and helping to develop fantastic outdoor experiences for our children.

Miss Richardson

My hobbies and interests:

- ❖ Gardening
- ❖ Crafts
- ❖ Cooking

My favourite authors:

David Walliams
Enid Blyton
Julia Donaldson

I am delighted to work at Bishop because I love to support and inspire children and watch them grow.

The person I find inspirational is Joe Wicks because he kept children and families active during lockdown.

If I wasn't a Education Support Assistant, I would love to be a Nurse.
