

Hello, I am proud member of staff at Bishop Alexander. I joined this wonderful team in September 2012.

Whilst working at Bishop, some of my favourite memories have been:

- The whole school 'Danceathon'
- Bishop's Music Festival
- Working with a group of children, LIVE, at the Newark FM Radio Studio.

My favourite books:

Aesop's Fables, The Lion the Witch and the Wardrobe and The Severn Sisters.

I am proud to work at Bishop because of our fabulous children. We also have a community sense that supports each other.

My hobbies and interests:

- Swimming
- Horses
- Art and crafts

The person I find inspirational is Claire Lomas (from Melton Mowbray) because after a devastating horse riding accident, she was left paralysed. Despite this, she did not give up and became the first person in the UK to use 'ReWalk Robotic Suit'. Not only did she use this to walk again, but she completed the London marathon for charity (taking 17days).

If I wasn't a Teacher I would love to be a Property Developer, Architect or Structural engineer.
