

Mr. Rizvi

Hello, I am proud member of staff at Bishop Alexander.

I joined this wonderful team in September 2020. Whilst working at Bishop, my favourite memory has been my first day when I met the children and staff. The children at Bishop are a joy to teach.

My favourite books:

The Witches, Charlie and the Chocolate Factory and George's Marvellous Medicine.

I am delighted to work at Bishop because the school has a warm family feel that encourages us all to be the best we can be.

★ Assistant Headteacher ★

hi

My hobbies and interests:

- Watching/playing sports
- Training at the gym
- Watching movies/eating out

The person I find inspirational is Jose Mourinho. His determined attitude towards his work has enabled him to become so successful.

If I wasn't an Assistant Headteacher, I would love to be a Scientist.
