

Hello, I am proud member of staff at Bishop Alexander. I joined this wonderful team in 2011. I have loved all of my time here but some of my best memories would have to be numerous netball tournaments; trips (including Magna, West Midlands Safari Park and Holme Pierrepont) and of course, the day-to-day smiles and laughs with the children.

Mrs Hemstock

### My hobbies and interests:

- Swimming
- Reading
- Walking

### My favourite books:

Harry Potter, Harry Potter and Harry Potter!

I am delighted to work at Bishop because every day is different so every day gives me something new to smile about.

The person I find inspirational is JK Rowling because her writing takes me into another world.

If I wasn't a Teacher, I would love to be a Wedding planner.
