

Hello, I am proud member of staff at Bishop Alexander. I joined this wonderful team in 2010 as a volunteer and became a Teaching Assistant a couple of years later.

Whilst working at Bishop, my favourite memories have been the Year 6 residential trips. We have had great adventures and it has been such a wonderful way to celebrate the children's time at the school and a privilege to see them take on challenges like rock climbing and raft building. We have a brilliant time (despite a lot of rain).

Mrs Talbot

My hobbies and interests:

- Anything creative, I like to paint, print and make.
- I am a keen swimmer, and I like to swim in the sea the most.
- I really enjoy my garden and I am currently making one part into a wild meadow.

My favourite book:

Danny, The Champion of the World, Roald Dahl.

I am delighted to work at Bishop because at its' heart, it is a unique team of people who all work together to make the perfect environment for children to grow and learn.

INSPIRATION

The person I find inspirational is Grayson Perry because of his creativity and joyful, non-judgemental attitude.

If I wasn't a Teaching Assistant, I would love to be a Sculptor.
